Dear Ms. Alvers,

Lieutenant Turo passed along your email. I am writing to submit a request to U.S. Fleet Forces Command under the Freedom of Information Act for documents pertaining to the case, United States v. Edward C. Lin.

I request a copy of the following documents (all unclassified portions or unclassified versions where appropriate):

- * The Article 32 Preliminary Hearing Report by the Preliminary Hearing Officer
- * All reports of investigation involved in the case (all the unclassified portions or full unclassified versions), including the "Rogue Archer" report of investigation by the NCIS
- * The Bill of Particulars and any allied papers referenced therein
- * Unclassified parts of all witness depositions
- * Unclassified parts of all discovery documents provided to the defense
- * All rulings by the military judge in the case
- * All motions submitted by the defense
- * All motions or answers given by the government

In order to help to determine my status for purposes of deciding the applicability of any fees, you should know that I am a representative of the news media, specifically a correspondent for The Wall Street Journal. This request is made as part of news gathering and is not for commercial use.

I am willing to pay fees for this request up to a maximum of \$300. If you estimate that the fees will exceed this limit, please inform me first.

I ask that my request receive expedited processing because I am someone primarily engaged in disseminating information and there is an urgency to inform the American public of the case's details and the activities of the U.S. military.

I also include a telephone number (202-412-1708) at which I can be contacted, if necessary, to discuss any aspect of my request.

Thank you for your consideration.

Sincerely,

Paul Sonne
